NAME: _____ I AM A MEMBER OF THE NSA

ADDRESS: _____

CITY: _____ STATE/PROV: _____ ZIP/POSTAL CODE: _____

COUNTRY: _____ E-MAIL ADDRESS: _____

TELEPHONE NUMBER: _____

PRESENTATION TITLE: _____

DESCRIPTION: _____

FORMAT (L/R, HW, ETC.) _____

PRESENTATION SHOULD NOT EXCEED 15 MINUTES

ALL PROGRAMS WILL BE REVIEWED FOR APPROPRIATE LENGTH AND CONTENT. THIS WILL BE A CURATED THEATER. DUE TO TIME CONSTRAINTS, NOT ALL SUBMITTED MATERIAL MAY BE SHOWN. ONLY CURRENT NSA MEMBERS ARE ELIGIBLE FOR AWARDS.

Requirements

- You **MUST** be present at the conference and at the session. The 3D Theater Team will not provide narration.
- You must provide a set of still images and a copy of intended narrative
- Show must be less than 15 minutes. You will have control of advancing slides. Rehearsing is encouraged.

Formats

Images should be in any format supported by StereoPhoto Maker. Please indicate format above. It is recommended that images be resized so that maximum dimension fits an HD frame (e.g., either width= 1920, height=1080, or both). Borders are not required.

Naming Convention

Image files must be named as follows Lastname_Subject_01.jpg, Lastname_Subject_02.jpg, etc. where Subject is a one or two word description of the slideshow. No special characters other than dash and underscore should be included. All images should have same name with exception of last two numeric digits to indicate order.

Example: Shackleton_Antarctica_01.jpg, : Shackleton_Antarctica_02.jpg, : Shackleton_Antarctica_03.jpg, etc

Narrative Text Format

A copy of the intended narration must be included in the submission as either a text, Word, or PDF file. The contents should merely be the Author and Show title followed by paragraphs numbered with the slide number. This is just to insure that images are properly ordered for the presentation. Again, it will be the Author, not the 3D Theater Team that will be narrating the program. Rehearsing is strongly encouraged.

Submission

It is anticipated that, unlike videos, file sizes for slide shows should allow submission as email attachment. Images and narrative text should be archived as a single file using as a .zip, .rar, or similar archive format.
