About the Society

- ***The Stereoscopic Society of America*** is a group of currently active stereo photographers who circulate their work by means of folios.
- Print, transparency and digital formats are used, and several groups are operating folio circuits to meet the needs of each format.
- When a folio arrives, a member views and makes comments on each of the entries of the other participants. His or her own view, which has traveled the circuit and has been examined and commented upon by the other members, is removed and replaced with a new entry.
- The folio then continues its endless travels around the circuit.
- Many long distance friendships have formed among the participants in this manner over the years.
- Society Membership is limited to members of the National Stereoscopic Association.
- Stereographers who may be interested in the Society Membership may go to SSA's web site for more information at <http://stereoworld.org/ssa/>

The sponsors of this International Exhibition of Photography have been awarded Recognition by PSA, the world's largest patron of international photographic exhibitions. PSA, although it has provided recognition, is neither a sponsor nor directly involved in the operation of this exhibition.

Valid acceptances received by PSA Members in recognized sections of this exhibition are eligible for PSA Star Ratings, listing in the world-wide PSA Who's Who of Photography and credited towards the PSA Distinctions of QPSA, PPSA, EPSA, MPSA, MPSA2, GMPSA, GMPSA/B, GMPSA/S, GMPSA/G, and GMPSA/P.

PSA is a non-profit organization promoting the advancement of photography in all its forms to novice, amateur and professional photographers worldwide.

CONDITIONS OF ENTRY:

- The exhibition is open to anyone; however, an entry may be rejected when the sponsoring organization or its agent, in its reasonable discretion, believes the entry does not conform to the exhibition rules and conditions.
- An entrant's images will not be presented to the judges consecutively. An entrant's four images will be distributed throughout four rounds of judging in that section. Distribution of images shall be in the same round order as submitted by the entrant.
- Entries must originate as photographs (image-captures of objects via light sensitivity) made by the entrant on photographic emulsion or acquired digitally.
- By virtue of submitting an entry, the entrant certifies the work as his own (aliases are not permitted).
- The entrant permits the sponsors to reproduce all or part of the entered material free of charge for publication and/or display in media related to the exhibition. This may include low resolution posting on a website. Note: Entrants who indicate that their images may not be reproduced or used "will not be eligible for awards" or inclusion in audio-visuals of the exhibition "and could be subject to disqualification" by the exhibition sponsors.
- The exhibition assumes no liability of any misuse of copyright.
- Images may be altered, either electronically or otherwise, by the maker. Artwork or computer graphics created by the entrant may be incorporated provided the photographic content predominates.
- All final work must be on photographic film, or on electronic file, or on photographic or electronic print material, mounting excepted.
- No title or identification of the maker shall be visible anywhere on the face of an image, print mat or mount entered in a PSA Recognized exhibition.
- Each image must have a unique title. Once an image has been accepted in a PSA Recognized exhibition, that same image, or a like "in camera" or a "reproduction" duplicate of that image:
 - May not be entered or re-entered in any section of the same Division Star Ratings class in that exhibition regardless of media, format, or title.
 - May not be re-titled for entry in any other PSA Recognized exhibition, including translation into another language.
- Words such as "Untitled" and "No Title" are not acceptable as part or all of an image's title, nor are camera capture filenames.
- An image may be entered in only one section where acceptances of that image in multiple sections would be eligible for the same star path.

BREACH OF CONDITIONS OF ENTRY:

If at any time, it is determined in the reasonable discretion of the exhibition organizer or the judges before, during, or after the judging of an exhibition that an entrant has submitted entries where one or more images may fail to comply with these Conditions of Entry, including the stated definitions, the exhibition organizers reserve the right to delete the entry from the exhibition and void any or all acceptances or awards in connection with the exhibition. Fees may be forfeited or refunded in these circumstances. The entrant acknowledges that the decision of the exhibition organizers or the judges is final.

In order to ensure that images comply with the Conditions of Entry and definitions, the exhibition organizers may carry out reasonable measures to verify that:

- a) the images are the original work of the entrant and
- b) the images comply with the rules and definitions as set out in these Conditions of Entry.

These steps include, but are not limited to, questioning any entrant, requiring the submission of RAW files or other digital files representing the original capture of the submitted image(s), confronting the entrant with evidence that one or more submitted images fails to comply with the Conditions of Entry (also known as Entry Rules), and offering the entrant a reasonable opportunity to provide counter evidence to refute the exhibition organizer's evidence by a set deadline. Such entries that are not cleared or are still questionable after the entrant has presented evidence may be considered in breach of these Conditions of Entry, and declined. Such entries may be referred to PSA for further investigation of possible ethics violations.

PSA retains the right to investigate in any way all complaints/suspensions of breaches of entry conditions, impose sanctions if deemed necessary, void the acceptances of any image found to violate the PSA rules, include the entrant's name on the list of sanctions provided to Exhibitions, and share such investigations with FIAP. Entrants automatically agree to these terms by the act of entering the Exhibition and agree to cooperate with any investigation.
