Formats

Initial submission should be sent via internet file sharing sites such as dropbox.com , yousendit.com, wettransfer.com, mega.co.nz, OR via YouTube.com 3-D upload. Lo-res version for initial submission recommended. Presentations may also be submitted for consideration on DVD/Blu-ray, Flash Drive and through ftp. Email submission links to Theater@StereoWorld.org

The following 3-D layouts are accepted:

Side-by-side (squeezed or full) Left on left. Over/Under (squeezed or full) Left on top.

The following resolutions are accepted:

SD 480p(640x480 or 720x480), HD 720p (1280x720), HD 1080p (1920x1080), XGA (1024x768), SXGA+ (1400x1050)

The following file compressions are accepted:

MPEG4, XVID, h264, WMV, MPEG2

We will also consider unencrypted 2K 3-D DCP (Digital Cinema Package) for projection. These should be submitted on NTFS formatted flash or hard drives and conform to the SMPTE standard at 24FPS.

Note: We require video files - we will not accept entries in executable formats.

Technical Information:

- Projection will be via two Optoma EH501 5000 lumen DLP projectors with circular polarizers in sRGB mode.
- Native Resolution is 1920x1080. Screen size is 9x16W'.
- Physical Media can be mailed to Ron Labbe 30 Glendale St Maynard, MA 01754
- If you have any questions or need assistance, please contact Ron Labbe at Theater@StereoWorld.org

Please e-mail a **short biography and portrait photo**, preferably a digital stereo pair, by **June 12, 2015**, to Program@StereoWorld.org or mail to:

NSA Printed Program Chair, Karen Bueche, 116 Herrmann Drive, Avon Lake, OH 44012

Please email **this completed form** to Theater@StereoWorld.org
